Hi - I am here with Lorena - She would like you call Dante and have him pick them up.

Thanks!

> Sometime last night there were a number of swastika's (18" x 18" approx.) spray painted on the walls of the walkway and the lights were torn away from the pole closest to the alley. I have taken the liberty of contacting Casey Warren & he's going to ask Clean San Pedro to come remove the graffiti. We are viewing the camera footage (one of our cameras aims into the alley) and will let you know if we see anything.
